**A**  Never

**B**  Rarely (less than once a month)

**C**  Sometimes (once a month to once every 3 months)

**D**  Often (more than once every 3 months)

**E**  Very often (more than once every month)

**QUESTIONS**  
QUESTIONS

**Q3** How often do you have a headache? (Select one)

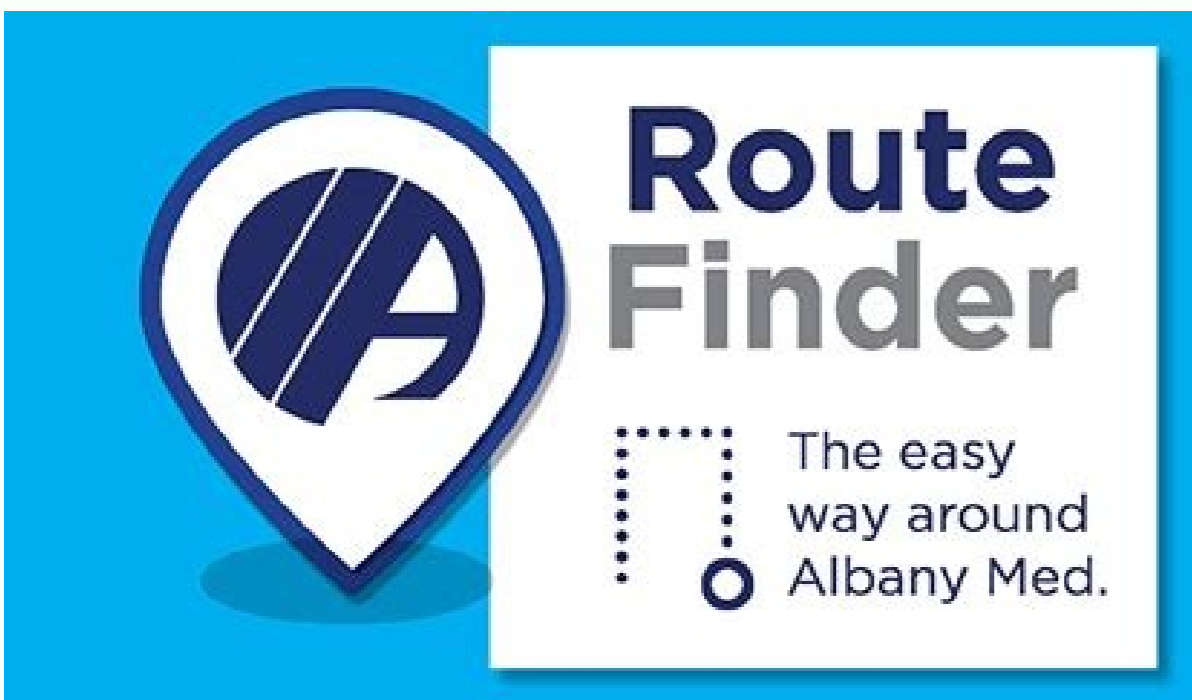

**A**  Never

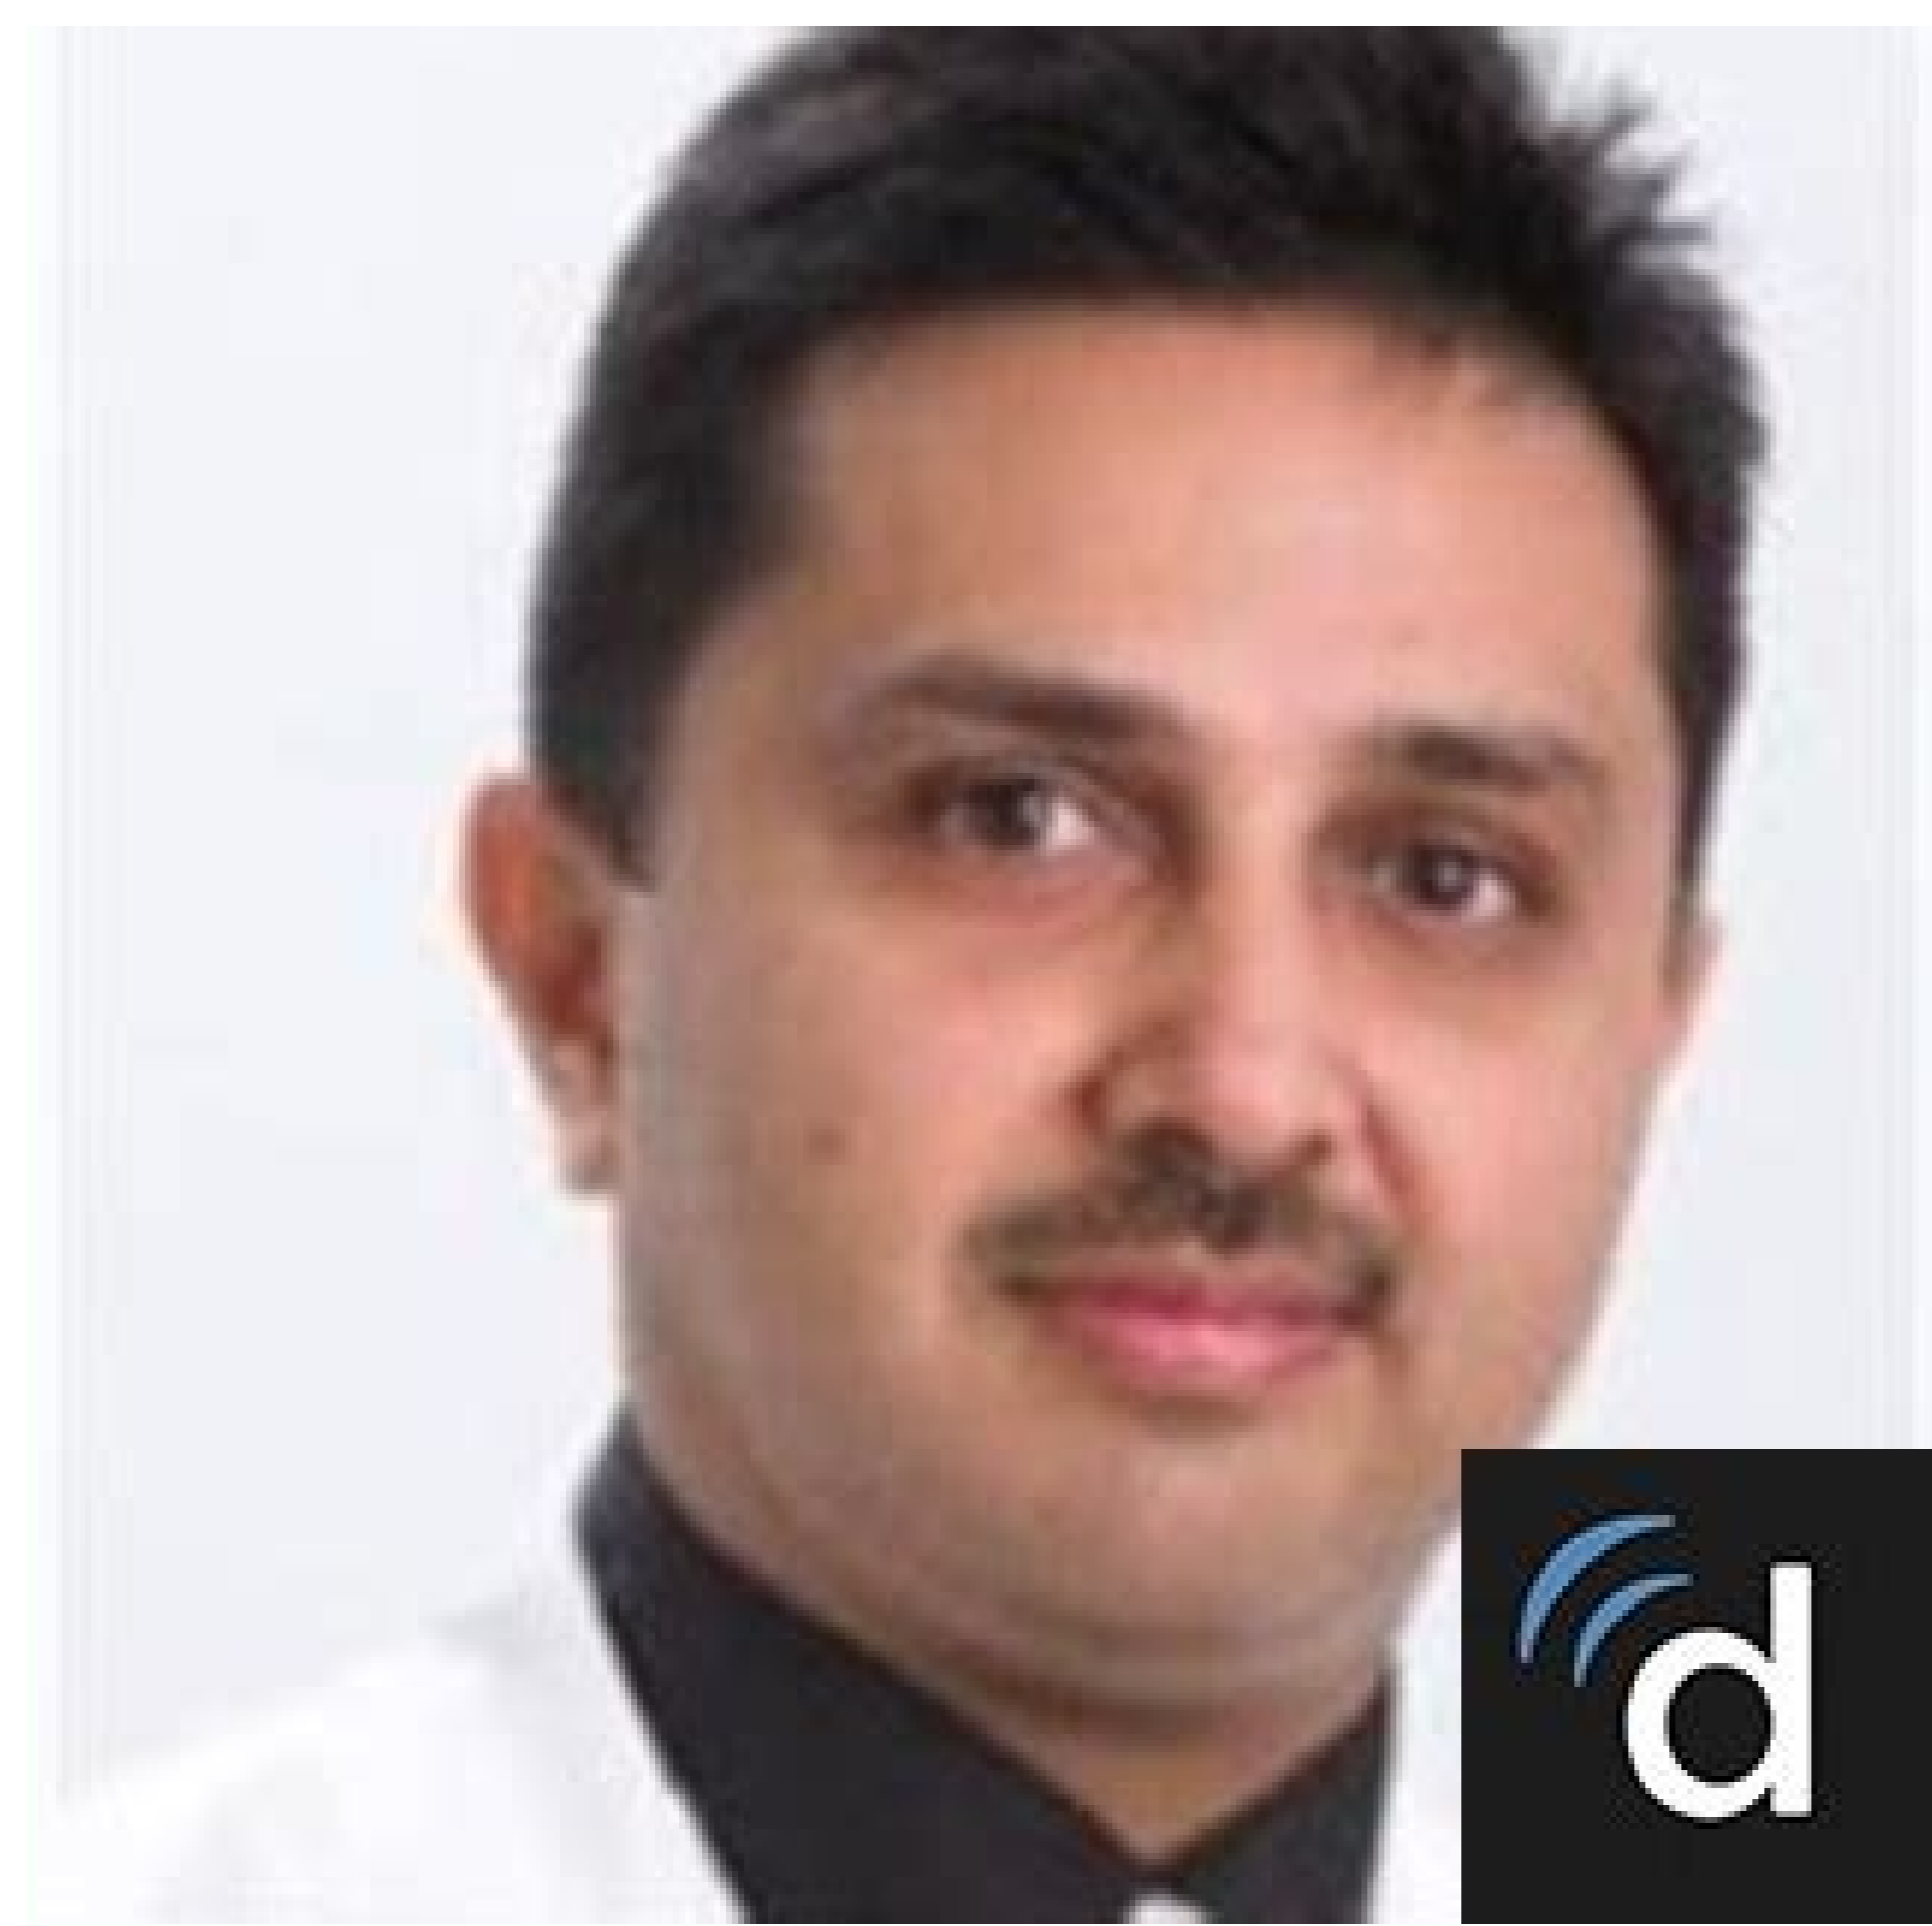

**B**  Rarely (less than once a month)

**C**  Sometimes (once a month to once every 3 months)

**D**  Often (more than once every 3 months)

**E**  Very often (more than once every month)

Albany Med includes the 766-bed Albany Medical Center Hospital and the Albany Medical College, plus over 60 outpatient physician practice locations. Combined, these four hospitals offer nearly 1,520 beds and outpatient locations throughout the Capital Region. At Albany Med, the patient experience is not just what we do...it's who we are. Albany Med also works with dozens of community partners to improve the region's health and quality of life. Arthroscopy, Joint Replacement, Spine Surgery Intensive Care Unit, Neonatal Intensive Care, Coronary Intensive Care Psychiatric, Rehabilitation Inpatient Surgery, Radiosurgery, Robotic Surgery Acute Care Hospitals, Short Term Acute Care Voluntary Nonprofit, Other About Us Ken McHugh 2022-01-31T10:34:38-05:00 Albany Med is the only Level 1 trauma center, the only tertiary care center, the only academic medical center and one of the largest private employers in the Capital Region. Our team IS the patient experience. Patients who reported that their nurses "Always" explained things in a way they could understand Patients who reported that their nurses "Sometimes" or "Never" explained things in a way they could understand Patients who reported that their nurses "Always" listened carefully to them Patients who reported that their nurses "Sometimes" or "Never" listened carefully to them Patients who reported that their nurses "Usually" listened carefully to them Patients who reported that their nurses "Always" treated them with courtesy and respect Patients who reported that their nurses "Sometimes" or "Never" treated them with courtesy and respect Patients who reported that their nurses "Usually" treated them with courtesy and respect Patients who reported that the area around their room was "Always" quiet at night Patients who reported that the area around their room was "Sometimes" or "Never" quiet at night Patients who reported that the area around their room was "Usually" quiet at night Patients who reported NO, they would probably not or definitely not recommend the hospital Patients who reported YES, they would definitely recommend the hospital Patients who reported YES, they would probably recommend the hospital Patients who reported that when receiving new medication the staff "Always" discussed possible side effects Patients who reported that when receiving new medication the staff "Sometimes" or "Never" discussed possible side effects Patients who reported that NO, they did not receive written information about possible symptoms to look out for after discharge Patients who reported that YES, they did receive written information about possible symptoms to look out for after discharge N/A Data not available. Watch our video to see our culture in action. Its main campus is comprised of the following: Albany Medical Center Hospital Albany Medical College Children's Hospital Physician's Pavilion South Clinical Campus Off-Site Specialized Patient Care Patients who gave their hospital a rating of 6 or lower on a scale from 0 (lowest) to 10 (highest) Patients who gave their hospital a rating of 7 or 8 on a scale from 0 (lowest) to 10 (highest) Patients who gave their hospital a rating of 9 or 10 on a scale from 0 (lowest) to 10 (highest) Patients who reported that when receiving new medication the staff "Always" communicated what the medication was for Patients who reported that when receiving new medication the staff "Sometimes" or "Never" communicated what the medication was for Patients who reported that when receiving new medication the staff "Usually" communicated what the medication was for. This feeling and vision translate into every aspect of what we do here. Albany Medical Center is an academic health sciences center -- the only one in eastern New York and western New England! It is comprised of Albany Medical Center Hospital, Albany Medical College and The Albany Medical Center. In addition, Albany Med is affiliated with Columbia Memorial Health, Glens Falls Hospital, and Saratoga Hospital, forming the largest locally governed health system in northeastern New York. The Center offers superior health care services.
